Our Mission and Purpose Statement

The mission and purpose of Pontiac Christian School is to aid parents in leading children to academic, spiritual, physical, emotional and relational truth.

Our Vision Statement

The vision of Pontiac Christian School is to graduate students prepared for the academic rigors of higher education and who have the Christian character and faith to live their lives for Jesus Christ.

Our Goals

The chief goal of Pontiac Christian School is to encourage character development within each student which will evidence itself in self-disciplined behavior in all areas of his or her life. The school endeavors to provide an atmosphere conducive to the student's academic, spiritual, physical, emotional, relational development. Because the Bible teaches that salvation is by faith in Jesus Christ (Galatians 2:16), a personal relationship with Him is positively presented. This is the initial step in a child's spiritual development. In conjunction with providing opportunities for students to make this decision, steps are taken to assist them in becoming submissive to the Word and will of God for their lives.
